Bring Your Own Device (BYOX) in Maleny State High School 2015

Understanding your warranty?

At Maleny State High School we have found that the repair rate and cost for electronic devices can be high. Whether accidental, warranty or non warranty damage, it has been found that devices will generally receive multiple repairs within a 3 year period.

You will find that many vendors sell IT products with a certain type of *part warranty*. This warranty generally covers cases where the product has failed due to a manufacturing defect.

Another type of warranty is an *accidental damage policy*. This policy may cover elements including:
- Accidentally dropping the device which results in physical damage to it.
- Spilling water on the device.
- Accidentally overheating the device.

In such cases, where it has been determined as accidental damage, parents may pay an excess determined by the vendor.

Policies may vary between brands and vendors however when looking at warranty options we encourage parents to look at an accidental damage policy which covers:
- Dropping the device
- Screen damage
- Spilt liquid

These 3 breakages represent the most common damage to our current fleet of devices. Parents thinking about purchasing devices would be advised to ensure some form of accidental damage policy exists. It may save you money in the future.

Thanks

Mr Jacobsen and Mr Wilkinson

2014 Track and Field Carnival

If the 2013 Athletics Carnival was close, the 2014 Carnival was closer again. With 272 points spanning 1st to 3rd, and the smallest of margins between the victors and 2nd place, the day was a nail-biter until the finish. A beautiful couple of days with some good weather, this carnival saw excellent performances from many athletes, with a handful of records broken.

Oskar Campbell shaved time off Jaimal Grogan’s 400m time (2010) of 59.40s to set the new 14yrs boys record at 59.07s.

Marc Kearney bettered Cody Pennington’s (2012) record for the 14yrs boys Triple Jump by a further 2cm, setting the record now at 11.69m.

Greg Thomas set a new Open Boys Long Jump record of 6.20m, rewriting a long-standing record from 1998, set by Francis Dowling (6.17m). Greg also went on to set a new record for the Open Boys High Jump, raising the bar (so to speak) from 1.84m (Jackson Gray, 2012), to 1.86m. The latter was particularly exciting to watch from the hill, even as the bell went at the end of the first day and buses needed to be caught. Some people looked as though they didn’t want to go home.

When all was said and done at the end of the second day, it was a repeat performance of last year with Mellum being the eventual winners, albeit with a lead of only 34 points to Bunya in second place. Obi once again rounded out the podium, and will be looking to improve their results for next year.

Dear Parents/Carers of Year 10 Students

Every Year 10 student is required to complete a SET (Senior Education and Training Plan) by the end of this year. To assist in this process, we have arranged for parents/carers, student and teacher interviews to occur on:

**Wednesday 3 September**
**in the school’s Resource Centre**
**between 9am and 3pm (Based on Teacher Availability)**

Each interview should only take approximately 10-15 minutes.

*(Students are able to find out who their SET plan teacher is by seeing their Career Education teacher, or by looking at the notice boards outside of the office and C Block Staffroom.)*

Parents/carers are required to book interviews via an online booking system (see over page for the booking process). This will allow parents/carers to organise an interview time which best suits you and your student. Parents/carers will also be able to change interview times up until the online bookings close by revisiting the website. The website will be open for bookings from 9am, 22 August and will close at 4pm on Thursday, 28 August. For the parents/carers who do not have internet access, please contact Jenny Thomas in Administration on 5499 8111 to make a booking. If you are unable to book a suitable time for the SET Plan interview on Wednesday 3 September, please contact the teacher conducting the interview directly on 5499 8111 to arrange a mutually convenient time.

Students should arrive at school with parents/caregivers 10 minutes prior to the interview and will be able to leave immediately afterwards. No Year 10 classes will be conducted on the day and limited supervision will be provided for students who need to be at school all day.

Students should have printed and submitted their completed SET Plans to their Career Education teacher by Wednesday, 27 August during their Career Education class. Plans will then be forwarded to the teacher conducting the interview, however students can print an additional copy at school or at home if required.

After this point, any changes to the SET Plans will be made electronically. **Students must ensure that they have an active computer account and that they are aware of their username and password.**

We look forward to working with you and your student on Wednesday, 3 September, 2014.

Sincerely

Wade Jacobsen      Brian Wilkinson

FAMILY FUN & FITNESS
Who can do Little Athletics? Queensland Little Athletics venues are able to cater for children from 3 to 16 years of age, with many Centres able to cater to athletes with a disability. No matter what your skills or ability Little Athletics is all about family, fun and fitness and making sure you can be your best.

How will I learn?
Many Centres have coaches to help you improve and learn about athletics so you can get the most out of your involvement with Little Athletics. Learning is fun and in no time you will see your personal best (PB's) performances improve.

What are the benefits?
If you are fit it makes you feel good about yourself and you have the energy to do anything. Young people who take an interest in sport are more likely to stay fit for life.
