Maleny State High School

06/14  28/05/14

Principal’s Report

End of Semester Assessment

Over the next month students in all year levels will enter into a particularly busy assessment time. This assessment will consist of assignments for some subjects and exams for others. Year 11 and 12 students will have block exams from Monday 23 June until Friday 27 June. During this time, Year 11 and 12 students are only required at school when they have a scheduled exam. This will allow these senior students to study at home, or in the school library, when they don’t have a scheduled exam. Senior students must be at their scheduled exam unless they have a medical certificate. Senior students are expected to be in school uniform while at school during this time. All other year levels can expect exams/assessment up until the last day of term. Exams for Junior students will be conducted in their normal class time.

Rugby Union

Congratulations to our under 15 Rugby Union Team who play James Nash State High School in the Grand Final at Stockland Stadium this Wednesday afternoon.

Maleny Show

Maleny State High School will be well represented at the Maleny Show this Friday and Saturday. We will have students and staff involved in the cattle showing and judging as well as helping in the animal nursery. Our Interact Club will be helping to prepare and serve food at the Rotary food stall. Our Chaplaincy Committee will be kept busy selling raffle tickets and show bags. The School will also have students work on display. This Friday the school will be closed for the Maleny Show public holiday.

Phone: 5499 8111
Email: info@malenyshs.eq.edu.au
Website: www.malenyshs.eq.edu.au
**Show Team**
Last week our cattle show team went to the Gympie Show. Results to follow shortly.

**Year 5 to 7 Parent Information Evening**
On Tuesday 17 June our students will be informing the parents of Year 5 – 7 students about school life at Maleny High. For more details see the flier attached.

**School Holidays**
The mid-year holidays start on Saturday 28 June. Semester Two commences on Monday July 14 for all students.

**New Enrolment Management Plan Procedures**
All State Schools in Queensland now have to work under revised procedures for Enrolment Management Plans (EMP). A school will now be required to implement a School EMP when their enrolments reach 80% (previously 90%) of the school’s Student Enrolment Capacity (SEC). Rescindments of a School EMP will be required when enrolments fall below 70% (previously 80%) of a school’s SEC. There is now a clear requirement for the school’s Principal to comply with a School EMP procedure. The school Principal must manage school enrolments so that student enrolments do not exceed the school’s SEC and reserve enough space to allow for new enrolments from within the school’s enrolment boundary. A school’s P&C Association/School Council will no longer be required to sign the School EMP document. However, the Principal will still need to consult with the community and present the final School EMP to the P&C/School Council.

The implementation of a School EMP means there may be changes to current enrolment process and not all students will be eligible for enrolment. To be entitled for automatic enrolment, students must meet one of the following criteria:

- Reside within the school’s catchment area (providing they can supply sufficient proof of residence)
- Children and young people who are subject to child protection orders that grant guardianship or custody to the Chief Executive Officer of the Department of Communities, Child Safety and Disability Service (Child Safety Services)
- Siblings of current students (excluding siblings of Program of Excellent students)
Students whose parent or legal guardian is employed by the school
Students who live outside the catchment area and are verified with a disability can enrol in the school to attend the specialized disability program if it is the closest program to their home and meets their individual needs
Students who have been excluded from a school, if approved by the Regional Director.

Applications from any other person, not meeting the criteria outlined above, is an out-of-catchment application. Enrolments of students from outside the local catchment area is restricted to ensure that the total current and forecast enrolments do not exceed the Student Enrolment Capacity. State Schools can only enroll out-of-catchment students:

- If there is sufficient spare capacity after reserving places for students who move into the catchment during the year and;
- After taking into account the school’s projected future enrolment growth.

**Proposed Enrolment Management Plan for Maleny State High School**

Maleny State High School is currently at 82% of its school’s Student Enrolment Capacity (SEC). Maleny State High School has therefore been identified as requiring an EMP. The school’s SEC has been determined to be 761 students. Our current enrolment is 671.

It is anticipated that in 2015 most out-of-catchment applications for enrolment at Maleny State High School will be successful.

Maleny State High School will reserve 25 spaces at the start of each school year for students who may move into the school’s catchment area after Day 8 of each school year. This means that Maleny State High School will allow 736 students to start each school year.

If the enrolment boundaries are ignored the predicted enrolments for Maleny State High School for the next five years are shown in the table below. Enrolment history indicates that approximately 30% of our school enrolments come from outside our enrolment boundaries.
Although the student enrolments go close to the 736 student enrolments at the start of 2015, the predicted enrolments do not exceed this cap. However, there is a need to monitor out-of-catchment enrolments very carefully over the next five years due to the closeness of the figures. The out-of-catchment enrolment applications will be numbered as they are received by Maleny State High School’s office. In the unexpected scenario of enrolments exceeding 736 students for the start of each school year, the enrolment applications that come in last will be the first to be unaccepted. A waiting list will be held at the school if such a case evolves. Early enrolment applications are encouraged.

**Principal on Leave**

Last week I was diagnosed as having Parkinson’s disease. Parkinson’s disease is a neurological disease that has restricted movement in my hands, legs and back. This week I have started medical treatment and this will require me to take leave for the next five weeks. During this time Mr. Wilkinson will be the Acting Principal, Ms. Hindle will be Acting Deputy Principal and Ms. Hyde will be Acting Head of Department of Physical Education and the Arts.

Brian King
Principal
MALENY TEAMS GO DOWN FIGHTING

BILL TURNER CUP REPORT

On Friday 16th May the Sunshine Coast round robin phase of the Bill Turner Cup (Boys) and Bill Turner Trophy (Girls) was held at Martin’s Creek, Maroochydore. The Bill Turner Competition is for Under 15 football (soccer) players and is open to all schools across Australia. It is one of the largest school based sporting competitions in Australia each year.

Maleny teams were drawn in a pool against Kawana State College, St Teresa’s College, Maroochydore SHS and Chancellor Park College – schools with much bigger student populations and including two schools which boast a “Football School of Excellence program”.

Hit hard by injuries and limited reserves both teams struggled on the day and failed to register a win. On a pleasing note however all players played to their best of their ability and their good sportsmanship and positive attitude were commented on by coaches from other teams.

Our thanks to Mr Camman and Ms Rush for coaching and to Mr Homewood for all of the background organisation and management of the teams. Special thanks also to Troy Kemp who assisted on the day by refereeing matches – 9 games in all which was a huge effort!

RAINY WEATHER CAN’T DAMPEN SPIRITS

Contrary to forecasts for fine weather, it somehow still managed to rain on the recent Year 11 Geography Camp to Noosa (May 7\textsuperscript{th} – 9\textsuperscript{th}). Not just a light shower or two but quite heavy rain especially on Thursday – our boating day. Despite the rain students still managed to have a great time as evidenced by the comments they made about the camp on their return.

What did you learn on camp?
- The different types of mangroves and their importance to marine ecology
- How to complete a b each transect
- Coastal processes and features of erosion and deposition
- Beach dynamics and the importance of beach preservation
- How do draw a neat, accurate field sketch (some better than others!)
- Not to go boating with Mr O’Connell .... at least not getting him to park the boat!

What did you enjoy most about the camp?
- The accommodation was awesome
- Boating and fishing activities
- Having freedom and some time to ourselves
- The pool and the spa were fantastic
- Pizza night on the riverside was fun
- Saw new places and experienced new things

The 2014 Noosa Geography Camp was a great success and enjoyed by all – staff and students alike. Planning is already underway for next year and for those praying for rain please check with the Geography Department as you can be sure that whatever date we pick in 2015 it will be raining.

AUSTRALIA’S BIGGEST MORNING TEA FOR CANCER RESEARCH

On Thursday last week we held ‘AUSTRALIA’S BIGGEST MORNING TEA’ in the Library for Cancer research. All staff were invited to attend, and we also had invited guests from various Maleny organisations and clubs. These organisations and clubs had donated books to our School Resource Centre in commemoration of Anzac Day and this was our way of saying a special ‘Thank You’. It was a wonderful event and we raised the sum of $332-40. The Interact students cooked up a storm, with chocolate being the definite flavour of the day. We were ably assisted by staff who also supplied food, flowers, etc. The Interact members were on hand to welcome the visitors, collect donations, and of course to enjoy the eats. Staff and visitors were able to enjoy coffee and hot chocolate courtesy of our baristas, Ryan Webb and Alana Eggins. I would like to take this opportunity to thank everyone for your participation and support, whether you cooked, helped in the setting up and/or cleaning up, or in any other way. All the tasks are equally important. It is a whole school team effort. As I always say, “We could not do this without you.”

CHAPPY - BBQ & FREE DRESS

After recovering from our culinary efforts, we readied ourselves for the BBQ and character themed ‘Free Dress’ for our Chappy on Monday. There were some amazing outfits on the day, with a prize for the best dressed student and staff member being awarded on parade. Darth Vader, alias Mr Wade Jacobsen and Mr Bean, alias Riley Frampton won out on the day. The character theme was a student initiative and I am sure it will not be the last one that we have. It was so much fun. From our BBQ and free dress donations we raised $830-00 for Chappy. This is a fantastic result.

MALENY SHOW/BUNNINGS

On Friday we will have nine of our Interact members helping out on the Rotary Food stall, whilst I will be selling the first of our tickets in our raffle. Following this we are hoping for a very successful day at Bunnings on the Saturday, again with the help of our students and staff.

PIE DRIVE

Our Pie Drive is under way and time is passing quickly. All students should have received an order form. If you do not have one and you would like one, please ask your son/daughter to collect one from me in the Library. Orders, together with payment, are due in by Friday the 6th June, with delivery day being Wednesday, 18th June. Payment is by cash or cheque only, and cheques should be made payable to the Maleny High School Interact Club. Don’t miss out on this opportunity to stock up for those cold winter nights that must eventually come. They are really mouth-watering pies. Please note that this is the last reminder via Insight for the Pie Drive, as the next issue of Insight will not be due until after the closing date for orders.

Thank you,

Sponsored By
An Invitation to the 2014 Maleny - Blackall Range Lions Club’s Mountain View Challenge.

What is the Mountain View Challenge?
- A morning of running and walking events for adults and children.
  - The Getrunning Half Marathon (21.1km),
  - The RC/MAX Hinterland 10 km run, and for children,
  - The Your Insurance Broker 3 km run, and
  - A 3km walk. (Please note that children are welcome to enter the longer events if they are capable and are looking for more of a challenge.)

When?
- 3rd August 2014
- Individual event start times will be posted on the following website closer to the date.

Where?
- All events start and finish at the Maleny Showgrounds.

Why?
- To promote fitness, and to enable young runners to meet with experienced performers,
- To raise money for the both the Australian Lions Medical Research Foundation and the Maleny Blackall Range Lions’ local community projects.

Entry Fees:
- 21.1km - $40
- 10km - $25
- 3km - $10 (run or walk) - Note: where three or more siblings under the age of 15 years wish to register for a 3km event, the registration fees will be capped at $20.

Prizes:
- There are individual prizes for the first male and first female of each running event. The 3km event has prizes for the first girl & first boy in under 9, under 11, under 13, under 15, and open age groups.
- All walkers will receive a Certificate of Appreciation on completion.
- The ‘Maleny Realty School Participation Trophy’ (currently held by the Maleny State School) will be presented to the school with the highest percentage of participants.

Safety & Health:-
- Water stations will be placed at intervals along each route.
- Traffic/Event Marshals will be placed at all street crossings & other appropriate points along the routes.
- Members of the Maleny SES, the Maleny RFB, and other community organisations will provide assistance.
- The Maleny Ambulance will be on standby for the day’s events.

Refreshments:-
- The Lions club will run a Gold Coin donation sausage sizzle.
- A coffee van will be in attendance, and
- A rehydration tent will provide rehydration drinks to all competitors upon their completion of their event.

How to Register:-
- You may enter online by going to http://malenyblackallrange.qld.lions.org.au/projectsmvc and following the hot link to the event registration desk, or
- You may register on the day using the forms at the Showgrounds or by down loading an entry form from the http://malenyblackallrange.qld.lions.org.au/projectsmvc page.
