subsidised training provider

my
industry
training

*Course offered by Adapt Education RTO 32452,
training and assessment delivered by My Industry Training.*

This qualification provides an introduction to the construction industry, its culture, occupations, job roles and workplace expectations. The units of competency cover essential work health and safety requirements, the industrial and work organisation structure, communication skills, work planning, and basic use of tools and materials. The qualification is built around a basic construction project unit that integrates the skills and embeds the facets of employability skills in context.

This Nationally Recognised course consists of 11 units:

CPCCCM2004 Handle construction materials

CPCCCM2005 Use construction tools and equipment

CPCCCM1011 Undertake basic estimation and costing

CPCCOM1012 Work effectively and sustainably in the construction industry

CPCCOM1013 Plan and organise work

CPCCVE1011 Undertake a basic construction project

CPCCWHS1001 Prepare to work safely in the construction industry

CPCCWHS2001 Apply WHS requirements, policies and procedures in the construction industry

CPCCOM1014 Conduct workplace communication

CPCCOM1015 Carry out measurements and calculations

CPCCOM2001 Read and interpret plans and specifications
